Dear Subcontractors,

Please see attached the Invitation to Bid for DBE subcontractors. Please indicate your interest by completing and returning the ITB. Contact information is within. As this is a public project, all subs must be registered with the DIR. If you are not yet registered, information and instructions are below.

Thank you for your consideration.

\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*

As you may already be aware, On June 20, 2014, a new Public Works Contractor Registration Law (SB 854) became effective. This law requires all contractors, (including subcontractors, professional services, truckers, sweepers, etc.), to be registered with the Department of Industrial Relations (DIR) in order to bid and work on Public Works Projects. This program applies to all projects receiving **any** public funds.

Having just gone through the registration process ourselves, please be assured that this is a very straightforward registration, which will take approximately 15 minutes to complete.

The registration page is here: <http://www.dir.ca.gov/Public-Works/PublicWorks.html> Contractors will be subject to a DIR online registration and annual renewal fee that has been set initially at \$300. This will cover the fiscal year through June 30, 2015. After that date, a renewal will be needed for the 2015-2016 fiscal year.

GFE ITB - Caltrans 05-1E0204 Est 185577.pdf .pdf File

Dear Subcontractors,

Please see attached the Invitation to Bid for DBE subcontractors. Please indicate your interest by completing and returning the ITB. Contact information is within. As this is a public project, all subs must be registered with the DIR. If you are not yet registered, information and instructions are below.

Thank you for your consideration.

As you may already be aware, On June 20 2014, a new Public Works Contractor Registration Law (SB 854) became effective. This law requires all contractors, (including subcontractors, professional services, truckers, sweepers, etc.), to be registered with the Department of Industrial Relations (DIR) in order to bid and work on Public Works Projects. This program applies to all projects receiving **any** public funds.

Having just gone through the registration process ourselves, please be assured that this is a very straightforward registration, which will take approximately 15 minutes to complete.

The registration page is here: <http://www.dir.ca.gov/Public-Works/PublicWorks.html> Contractors will be subject to a DIR online registration and annual renewal fee that has been

For your convenience, we have some Frequently Asked Questions listed below:

Q. What is the fastest method of payment for registration?

A. Paying by credit card is by far the fastest way for your registration to be processed and completed. At present, registration of a company paying by credit card takes approximately 24 hours. As the 3/1/15 deadline approaches, however, this may increase due to the volume of simultaneous registrants. By comparison, payment by check can take up to two weeks to process.

Q. What do I put for "Agent for service"?

A. If you are registering on behalf of a Corporation or LLC, The agent of service is the person legally listed on the Secretary of State website as the Agent of Service who will receive all legal notices.

Q. How can I confirm that my company, or my subcontractors, are already registered?

A. There is a searchable database at <http://www.dir.ca.gov/Public-Works/PublicWorks.html>.

Q. What are some important deadlines associated with this new law?

A. **March 1, 2015:** No contractor or subcontractor may be listed on a bid proposal for a public works project unless registered with DIR; **April 1, 2015:** No contractor or subcontractor may work on a public works project unless registered with DIR. Once the registration requirement becomes mandatory (March 1, 2015 for bids and April 1, 2015 for work), an awarding body may not accept a bid or enter into a contract for public work with an unregistered contractor.; **January 1, 2016:** The requirement to furnish electronic certified payroll records to the Labor Commissioner will apply to all public works projects, whether new or ongoing. Exceptions to the certified payroll requirements include the following: Caltrans, County of Sacramento, City of Los Angeles, Los Angeles Unified School District, and projects with a Project Labor or Stabilization Agreement.

Q. Where can I get more complete information about this law?
